## **Anna's Taqueria Debuts 'Breslow Burrito' for Childhood Cancer Research**

During May, \$3 from every purchased "Breslow Burrito" from Anna's Taqueria was donated to Red Sox pitcher Craig Breslow's Strike 3 Foundation, which heightens awareness, mobilizes support and raises funding for childhood cancer research.

With six locations throughout Greater Boston, Anna's is dedicated to serving the best of Mission-style Mexican street food with fresh ingredients, authentic recipes and expert assembly. The menu features four core items—burritos, tacos, quesadillas and Mexican plates—all made daily.

The Breslow Burrito was created by Breslow and features grilled steak, cheese, rice, black beans, salsa, guacamole and crumbled tortilla chips.
