Red Sox pitcher Craig Breslow and Anna's Taqueria owner Mike Kamio recently launched the "Breslow Burrito" at Craig's Sip Happens Gala.

The Breslow Burrito will be featured at all Anna's Taqueria locations, including Beacon Street and Harvard Street, for the month of May, with \$3 from every burrito donated to Breslow's Strike 3 Foundation to fight childhood cancer.

The burrito's ingredients, hand-picked by Breslow, include grilled steak, cheese, rice, black beans, salsa, guacamole and crumbled tortilla chips.
